- Arrive 15min. earlier to the first day of class; this will help acclimate your child to The Hanover Theatre Conservatory facilities and faculty.
- It is important that all parents come into the building/lobby to sign in **and** sign out their child at the security desk.
- If a child is carpooling, we need to have a written notice that permits your child to be released to another parent/guardian.
- There will be a 15min. break for students. A snack will not be provided by THTC Please provide you child with a healthy, no nuts contained snack and bottled water.
- Your child will be immersed in Classical ballet curriculum and classes that support this art form, as well as enrichment classes that help expand your child's dance education and experience.
- Your child will be taught within a nurturing and safe environment, however the rules and discipline associated with Classical ballet standards will apply.
- The first day of class will be a ballet placement class for age group 7-13; we want to be sure that the student will be placed correctly in order to receive the true benefits of Classical ballet training. We will create groups of *like ability* so that the children can feel confident in their learning time here at THTC. They will return to their original age group for the remainder of the day.
- Curriculum and Instructor subject to change without notice.
- Enrollment is program dependent. If low enrollment occurs, THTC reserve the right to cancel.
- THTC is not responsible for lost or stolen property.
- If you would like to have your child evaluated for fall placement at THTC, please notify the Director of Dance, Jennifer Agbay. We will evaluate for ages 7+.
